

Greetings!

I hope you had a chance to enjoy our first snow of the season. Our **February meeting** (on the 7th) will feature an interesting presentation on an organization that many of you did not even know existed. The **United World College** located in Montezuma, NM has been a part of New Mexico for 35 years now. Our *presenters* will be *Jonathan Ehrlich* the Vice President of the college and *Nancy Ellington* the Assistant dean of students. **Ellen Baker is the coordinator** for this program.

Our **greeters** for February are **Winnie Hoeksema and Connie Goodwin**.

Refreshments will be provided by **Kathy and Margaret Bruch, Carol Ninkovich and Linda Heath**.

We will have a **collection this month** for **school supplies** for Placitas, Algodones, and Bernalillo schools. Please **check the handout provided by Jill Kennedy** at last month's meeting for the specific supplies that are needed. Of course you can always give money. The schools count on us at this time of year to help them serve their students. Your generosity is greatly appreciated.

Chris Daul will be making a preliminary presentation about a minor change to the bylaws.

I look forward to seeing you all at the meeting on February 7.

Linda Suydam, President.
